1. Are you satisfied with your health insurance?

- Yes, I am completely satisfied with my private insurance.
- I am mostly satisfied with my private insurance, however, it could use some improvement.
- I am only moderately satisfied with my private insurance. It needs improvement.
- I am not satisfied with my private insurance, and think it needs improvement.
- Undecided.
- I am not insured.
- I am covered by a public insurance plan (like Medicare or Medicaid).

2. Are you worried that you might lose your private health insurance or that you won't be covered?

- Yes, I am concerned that I may lose my insurance because it may become too expensive.
- Yes, I am concerned that I may lose my insurance, or coverage for a particular medical condition.
- Yes, I am concerned that I may lose my insurance, or coverage if I change my job.

- No, I am not concerned. I believe my health insurance will provide the coverage I need in the future.
- Undecided.
- I am not insured.
- I am covered by a public insurance plan (like Medicare or Medicaid).

3. Do you believe that our nation's health insurance system needs reforming?

- Yes
- No
- Undecided

4. Have you read any of the health insurance reform legislation currently being considered in Congress?

- Yes
- No
- Some

5. What about our nation's health insurance system do you think needs to be reformed? (please check all that apply)

- Making health insurers cover pre-existing conditions
- Enabling you to keep your health insurance as you change jobs.
- Making it affordable for the estimated 47 million in America to purchase private insurance if they lose their employer-provided plan.
- Making care more efficient by reducing waste and unnecessary treatments.
- Shoring up the finances of Medicare and Medicaid to ensure that they will continue to provide essential services.
- Imposing caps on medical malpractice lawsuits.
- The health insurance system does not need to be reformed

6. If you believe that our nation's health insurance system needs reforming, what do you believe should be done? (please check all that apply)

- Creating a health insurance plan, administered by the federal government, to compete on a level playing field with private insurers.
- Creating nonprofit co-ops, operated by a non-governmental entity, to provide insurance to members.
- Creating a single government plan to cover every American.
- Expand eligibility for existing public programs like Medicare, Medicaid, and SCHIP.
- Increase regulation on private insurers to make them make coverage more stable and more affordable.
- No action necessary.
- Undecided.
